

## Crisis at the Close

Friends, I believe that my message today, will tie in quite nicely with the theme, that Sandy presented last week. In dealing with the Disciples question, of "Lord when will you restore the Kingdom"?

At the beginning of the year, I shared a message with you entitled the coming global reset, in which I covered many events that have been under reported regarding the planned demise of the US dollar, as the worlds reserve currency.

The end result of which, will be a complete reversal of our national status in the world. This planned global reset will result in America suddenly being transformed from being the leading nation of the world, to suddenly becoming a 3rd world country.

We will go from being the head to being the tail, as God has foretold would happen as a result of our national sins in Deut. 28.

And since the dollar is the world reserve currency, this reset will greatly affect the entire worlds financial system, through which the final new world order will arise.

And since the beginning of the year, a lot of water has gone under the bridge, with many trade agreements being worked out by many of the principle nations of the world, putting the pieces in place, for the moment in which, the button is pushed and the system implodes.

In June, I shared with you parts of an audio interview, in which it was revealed that the green light has been given, to soon set the dominos in motion, that will precipitate the demise of our nation.

During the course of the preceding discussion, Dave asked the question, as to my viewpoint of how these soon coming events may relate to the timing of the Great Tribulation?

And in retrospect, I do not think I gave a satisfactory answer. However, Dave's question has stimulated my inquiry into what the scriptures may contain regarding the timing and unfolding of coming events.

So today I thought we might delve into this topic a bit further.  
And I'll begin with the question;

Does the Israel of God, the church have to endure a certain amount of severe hardship, before the tribulation begins? And if so, then how long a time might that entail?

I believe that it's highly likely, that just like ancient Israel had to endure the first 3 of the 10 plagues that God had poured out on Egypt, that there is a very good chance that all of us will have to experience, and go through life changing events at the close of this age.

As I mentioned last time, what I believe we are entering into is the transition period, that will end in the establishment of the final world government system.

In ancient times an army would surround a city and cut off its resources, so that the people within the city became isolated.

Then over a period of time the resources within the city were exhausted and thus the city was overrun and destroyed.

in 2Kings 17.5 we find that history records that the 10 tribes of Israel were under such a siege for a period of 3 years, before Babylon, fully destroyed the nation and led them into captivity.

Similarly our nation today is beginning to experience an economic siege, in which the noose around the neck of our nation is slowly yet steadily tightening. And it's occurring in such a way that most people don't even realize that its happening.

Through the debasement of our currency resulting in near double digit inflation and zero interest rates and over the past 5 years, the saving of America's middle class has been systematically destroyed.

And looking at the bigger picture, as God fully breaks the pride of our power, with the plug being pulled on the Dollar, and it ceases from being the world reserve currency, our nation will be completely isolated economically from the rest of the world.

For we will no longer have a viable means of exchange in which to procure goods and resources.

And remember, we are no longer a manufacturing powerhouse, the majority of our industry has been outsourced to Gentile nations.

We are predominately a service and consumer dependent economy, and of course this is all by intentional design.

And this process of economic isolation, has accelerated greatly since the spring of this year. It has been reported that there are now 105 associate nations that have alined themselves with the BRICS alliance, to bypass the US Dollar in world trade.

And friends understand, that it is actually beneficial for the world to omit the dollar in trade, for they are cutting out the middleman, and thus it reduces there cost of trade. In addition the bypass the inflation being created by the Fed's money printing.

The ground work is well under way for a great economic association between Europe and Asia. This quasi economic association, termed the Eurasian trade zone is now forming a critical mass, which is also pulling the Middle East, most of Africa and even South America into it sphere of influence.

Friends, this is already happening before the plug has been pulled. Once the Dollar fully loses it perception of value and safety, the rest of the world will quickly flee from US assets as well.

All of this of course, as I said before, this entire process, has been carefully and systematically crafted by design. And let us not forget, that God is the One, that is allowing all of this to unfold, according to His timeline.

So let's begin to look into the question of timing and duration between these events and the Great Tribulation.

Last week, I sent those of you on my email list, an audio from Trunews, in which a 4 star General made known a timeline for the full implementation of this global reset.

The end of next year 2015, was the date given, for the complete collapse of the American economy and the US dollar. And by the end of 2017, the US is scheduled to be merged into the North American Union [Mexico, Canada and the US]

As we get closer to that event, a major pandemic is scheduled for release in our nation, according to the information given by the General. The timing of that pandemic, sounds to me like the plagues, that Jesus warned about in Matt. 24.7-8.

In which He said; 7 For nation will rise against nation, and kingdom against kingdom. And there will be famines, pestilences, and earthquakes in various places. 8 All these are the beginning of sorrows.

In the past, I have covered the key verses in Daniel 9, involving the 70th week prophecy. In which, I explained that the term weeks, is the same term used to define Pentecost, the Feast of Weeks.

Understanding this then, this prophecy in it's final fulfillment seems to indicate 70 Pentecost's or 70 years in fulfillment.

Taken in context, this seems a likely conclusion. Let's just read a few verses, to refresh our minds as to the context.

Daniel 9.24-25

24 "Seventy weeks [years] are determined  
For your people and for your holy city,  
To finish the transgression,  
To make an end of sins,  
To make reconciliation for iniquity,  
To bring in everlasting righteousness,  
To seal up vision and prophecy,  
And to anoint the Most Holy.

70 years to finish transgression, make an end of sin and bring in everlasting righteousness. Friends, obviously this is referring to the end of the age.

And we get information about the timing of the beginning of the 70 year time period in the next verse.

25 "Know therefore and understand,  
That from the going forth of the command  
To restore and build Jerusalem  
Until Messiah the Prince,  
There shall be seven weeks and sixty-two weeks;  
The street shall be built again, and the wall,  
Even in troublesome times.

The phrase to restore and rebuild, can also be interpreted as return and rebuild. And of course this began in 1948 with the Jews reestablished as a nation after nearly 2000 years of exile.

So 70 years from 1948 brings us to 2018. Thus if this is a correct interpretation, than 2018 would be the year of Messiahs return, to usher in everlasting righteousness.

And thus backing up 3 1/2 years from the fall of 2018, would suggest the start of the tribulation to be the spring of 2015, which is less than 1 year away.

Add into this mix the blood moon tetrads of 2014 and 2015 occurring during Gods appointed times, and we see that we are indeed entering into a unique time of human history.

But is the prophetic math really that simple, and can events regarding the abomination of desolation, the two witnesses, and the final arrangement really all transpire within the next year?

Is it possible? Well yes I believe with God all things are possible. But is it likely?

I'm going to propose 2 scenario's, in an attempt to answer the question as to how much time might elapse between a worldwide currency crisis surrounding the demise of the dollar, and the onset of the tribulation.

Scenario number 1. The 70 year prophecy is indeed a literal 70 years and thus spring 2015 will be the beginning of the Great Tribulation.

In which case, the currency crash destroys all semblance of our society quite quickly, civil disorder ravages the country, marshall law is invoked, the Russians and Chinese invade under UN mandate, FEMA camps are activated, pestilence is widespread, and those that are not killed go into captivity.

Could all this begin to transpire in the next year? Well yes. There have been numerous reports that the Chinese and Russians are already in the country. The FEMA camps are all built, billions of rounds of ammunition has been purchased. And thousands of illegals are currently streaming across our southern border on a daily basis, bringing with them TB and other deadly diseases.

And as was also mentioned in that Trunews interview, several cases of bubonic plague have already been documented in our country.

Another event that is presently unfolding, and worthy of mention, is the sudden emergence of ISIS, and their claim to have now reestablished a muslim caliphate, and naming the land under their control Nineveh.

And as I stated earlier, internationally there are now 105 nations that are aligned with the BRICS, that have already made arrangements to bypass the use of the dollar, in an attempt to insulate themselves from this coming dollar crisis.

As far as the reconstructed temple goes, all of the implements for renewed sacrificial service have been appropriated, the priesthood has been selected and trained and now a red heifer has been confirmed to have been born.

And there is historical precedent, found in the Book of Ezra, that suggests that sacrifices could be instituted without or before a temple is actually constructed.

We find this account in Ezra 3.1-6 Let's turn there and read that account.

3.1 And when the seventh month had come, and the children of Israel were in the cities, the people gathered together as one man to Jerusalem.

2 Then Joshua and his brethren the priests, and Zerubbabel and his brethren, arose and built the altar of the God of Israel, to offer burnt offerings on it, as it is written in the Law of Moses the man of God.

3 Though fear had come upon them because of the people of those countries, they set the altar on its bases; and they offered burnt offerings on it to the Lord, both the morning and evening burnt offerings.

So in this account the religious and secular leaders being motivated by fear of the surrounds nations, came together and sought protection from the Lord, by building an altar and instituting sacrifices.

Continuing in verse 6, From the first day of the seventh month they began to offer burnt offerings to the Lord, although the foundation of the temple of the Lord had not been laid.

So we see from this account, that a temple does not have to be erected for sacrifices to begin. And I believe that when Jerusalem is once again surrounded by armies, as Jesus states will occur at the time of the end, that its quite reasonable to conclude, that the Jews may suddenly be motivated to begin sacrifices once again.

However, let me also point out, that in taking 2 Thes.5 and Matt 24 into account, it does seem that a temple will have to be constructed at some point in the future, prior to the onset of the Tribulation.

So again, could the tribulation begin next spring. Yes I suppose it could, but for that to occur, a lot of events would have to transpire very soon.

And, I'm beginning to have my doubts, that all things will unfold so quickly. I'll explain, why I don't think the 70 year prophecy is so clearly cut and dry, a bit later.

One more point, I'll make before we move on, is that both the dedication of Solomon's Temple and the dedication of the altar in Ezra's day occurred on the Feast of Trumpets. Although the reconstruction in Ezra's day was completed in the month of Adar, in time for the Passover.

So, these may be some interesting things to consider and keep in the back of our minds, as far as potential future timing, in regards to the sacrifices being reinstated.

What I'd like to do now, is to explore how the final global arrangement, might come into being, and the timing involved in its formation as well.

We know from Daniel 2, that the end time world government, will consist of 10 parts, represented by the 10 toes of the statue in the Kings dream.

And also that it will be a very loosely knit world organization, part strong and part brittle, in that it will not adhere together, as iron does not adhere with clay.

Let's consider the 10 toes more closely. First let me say with certainty, that the 10 toes do not represent a 10 nation united Europe, as was commonly taught by the Church over the years.

Revelation chapters 13 and 17, clearly show that this will be a worldwide all encompassing governmental system that has authority over every tribe nation and tongue.

I firmly believe that the UN is the umbrella organization of the coming world government, which has many sub-organizations that are all working towards this common goal.

It should also be understood, that at its core, the UN is an occult organization, with it's roots firmly embedded in the worship of Lucifer, and that at the UN HQ in NY, there is actually a room dedicated to occult worship, complete with an altar.

If you do a google search you will find, plenty of material supporting this fact. Moreover there are dozens of international organizations that are affiliated with the UN.

All devoted to the implementation of a global government.

Organizations such as the IMF, World Bank, the World Council of Churches, the International Criminal Court, World Health Organization and even the Universal Postal Union, which seeks to oversee all mail worldwide.

Along side these dozens of organizations, are thousands of NGO's non-government organizations, that do research, draft policies and promote world government through various means.

One prominent NGO, is the Club of Rome, which is one of the principle organizations currently working behind the scenes, in conjunction with the UN to usher in this global end time system.

What follows is part of the Mission Statement of the CLUB of ROME Quoting; "Faced by increasing complexity, dizzying globalization and a world subject to constant political, economic and social upheavals, human beings today are fearful. We appear to be in the early stages of the formation of a "new type of world society".

"The Club of Rome is now in an especially favorable position to break with established concepts and paradigms and to set out the new ideas needed to meet the challenges of the 21st Century"

"The essential mission of the Club of Rome is to act as an international, non-official catalyst of change"

"A voice of independent and concerned people having access to the "corridors of power around the world", should have a valuable contribution to make towards increasing understanding and, at times, "jolting the system into action".

"We strongly feel the need for a "thorough overhaul of democracy", going far beyond its present organization and functioning, and also to devise a "new economic system" that avoids the shortcomings of the market economy"

Brethren, this is an incredibly bold statement of purpose don't you think?

I personally believe that when the button is pushed, for the global currency reset. That will be the event to "jolt the system into action" leading to the quote, "thorough overhaul of democracy" and the formation of quote "new type of world society".

Furthermore, what is even more interesting is that the COR published a map in the early 1970's that divided the entire world into 10 regions or kingdoms. In fact the original publication called them 10 kingdoms.

Their plan divided the world as follows;

REGION 1 -North America \*

REGION 2 Western Europe\*

REGION 3 Japan & Pacific Islands

REGION 4 Australia, New Zealand, South Africa and Israel\*

REGION 5 Eastern Europe,Russia,Siberia,Mongolia

REGION 6 Central America, South America,Carribbean Islands

REGION 7 Middle East and Mediterranean nations

REGION 8 Africa (without the above North African countries and South Africa)

REGION 9 India,S. E. Asia

REGION 10 China

What I want to call special attention too, is 3 of these 10 regions.

North America, Western Europe and the 3rd comprising Australia, New Zealand, and South Africa. and Israel.

These 3 areas are commonly thought by the Church to be the locations of all the Israelite nations today.

The KEY point to keep in mind is that all the Israelite nations are lumped into 3 regional groups, or 3 kingdoms.

So brethren, now with this understanding, we can begin to look at certain prophecies in a whole new light.

Hold this thought and turn with me to DAN. 7.23-25.

23 "Thus he said: ` The fourth beast shall be A fourth kingdom on earth, Which shall be different from all other kingdoms, And shall devour the whole earth, Trample it and break it in pieces.

24 The ten horns are ten kings Who shall arise from this kingdom. And another shall rise after them; He shall be different from the first ones, And shall subdue three kings.

25 He shall speak pompous words against the Most High, Shall persecute the saints of the Most High, And shall intend to change times and law. Then the saints shall be given into his hand For a time and times and half a time.

Brethren, I ascribe that these 3 kings that are subdued, are in fact the 3 Israelite regions as defined on the COR's map. North America, Western Europe, with Australia, New Zealand and South Africa, and Israel making up the third.

These verses in Daniel are describing the tribulation. Notice verse 25 defines this time period as "a time and times and half a time" or about 3 1/2 years.

Let's examine verse 24, a bit further. I believe this is a KEY verse that directly ties into what we covered in regards to the Club of Rome dividing the world into 10 regions, as well as giving much better insight into the seals and the trumpets of Revelation.

Notice; The ten horns are ten kings Who shall arise from this kingdom. And another shall rise after them; He shall be different from the first ones, And shall subdue three kings.

I believe the key to Dan.7.24 is to understand that the term king in this verse is synonymous with kingdom. This word "king" is Strong's 4430. This same word is also translated king in verse 17, of this chapter. Let's read it.

DAN.7.17 Those great beasts, which are four, are four kings which arise out of the earth. This verse of course is referring to the 4 successive Kingdoms down through time. This word king is representative of the term kingdom. In fact my margin even has a footnote that references this point.

When we combine the information given to us in Dan. 2 regarding the 10 toes, with that of Rev. 13 and 17, the picture becomes clear.

Rev. 13.1 Then I stood on the sand of the sea.[sea of humanity] And I saw a beast rising up out of the sea, having seven heads and ten horns, and on his horns ten crowns, and on his heads a blasphemous name.

Rev. 17, defines what the 10 horns represent.

Rev.17.12 "The ten horns which you saw are ten kings who have received no kingdom as yet, but they receive authority for one hour as kings with the beast.

So we find from these verses that the 10 kings of this final Babylonian system will be 10 regional rulers. And that they will rule for 1 hour with the beast.

And we might ask, just how long might this prophetic hour be? Well one way to define this hour would be as follows.

If we apply the 1 day as 1000 years principle, and then divide 1000 by 24, the hours in a day, the result is a calculation of 41.66. This is very close to the number we are given in scripture, of the length of the tribulation period, which is defined as 42 months.

So if this is accurate, it suggests strongly, that the final formation of the world into 10 kingdoms, will not occur until the onset of the tribulation itself. Which means we will not be able to see this final global structure fully formed in advance.

I believe that this is a important thing to keep in mind, in that the final form of Babylon the Great will suddenly materialize with little advanced warning.

And that is why it will be a snare, for all that dwell on the earth, as Jesus warned of in the gospels.

Let me continue reading the opening verses of Rev.13.

2 Now the beast which I saw was like a leopard, his feet were like the feet of a bear, and his mouth like the mouth of a lion. The dragon gave him his power, his throne, and great authority.

3 And I saw one of his heads as if it had been mortally wounded, and his deadly wound was healed. And all the world marveled and followed the beast.

4 So they worshiped the dragon who gave authority to the beast; and they worshiped the beast, saying, "Who is like the beast? Who is able to make war with him?"

5 And he was given a mouth speaking great things and blasphemies, and he was given authority to continue for forty-two months.

6 Then he opened his mouth in blasphemy against God, to blaspheme His name, His tabernacle, and those who dwell in heaven.

7 It was granted to him to make war with the saints and to overcome them. And authority was given him over every tribe, tongue, and nation.

8 All who dwell on the earth will worship him, whose names have not been written in the Book of Life of the Lamb slain from the foundation of the world.

Again, just to underscore the fact that this world government system will be all encompassing, involving all how dwell on the earth.

Tying this back in with Dan. 7. We see that the one that shall arise along with these 10 regional trading blocks, will be this false Messiah on the white horse depicted as the first seal.

And once his deadly wound is healed, he will subdue 3 regions. And since the first part of the Great Tribulation is defined as the time of Jacobs trouble, and the time of the Gentiles.

It seems highly likely that the 3 kingdoms that will be subdued are the 3 Israelite regions, as defined by the COR.

The word subdue, used in Dan. 7.24 is Strong's [8214]. This term is translated in other places as (to bring low) or (make humble). In fact in DAN.5.22 we find the same word translated humble.

DAN.5.22 But you his son, Belshazzar, have not humbled your heart

From other scriptures we know that God will use the tribulation, described as "the time of Jacobs trouble" to humble the modern descendants of the tribes of Israel, to bring them to repentance.

Therefore, by correctly understanding the meaning of the terms "subdue" and "kings" in DAN. 7.24, we realize that it is not the 3

regional rulers themselves that are humbled. Rather it is the 3 Israelite nations that they rule over, that are subdued, humbled, or brought low, by satans wrath, in the Great Tribulation.

And we know this is the case from Rev.17, where all 10 regional leaders are shown to be fighting Christ at His return at the end of the tribulation. Let's turn to REV. 17 and read this point.

REV.17.12-14

"The ten horns which you saw are ten kings who have received no kingdom as yet, but they receive authority for one hour as kings with the beast.

13 These are of one mind, and they will give their power and authority to the beast.

14 These will make war with the Lamb, and the Lamb will overcome them, for He is Lord of lords and King of kings; and those who are with Him are called, chosen, and faithful."

Ok, so to summarize, if my conclusions are accurate, we find that prophecy seems to suggest that the final global arrangement of nations, will be divided into 10 groups, or regional kingdoms.

With each of these 10 kingdoms controlled by a regional king. This may take the form of an international banking system, with 10 regional banks, very similar to the federal reserve structure we have today, only on a global scale.

In fact I should mention that the BIS, Bank of International Settlements is in reality the worlds central bank already. The BIS manages and in fact controls all of the worlds central banks. This includes the US Fed, ECB, Bank of Japan, Bank of England, Arab Central Bank, as well as the central banks of Israel, China, Russia and India, ect.

In fact, it is my belief that the BIS will be at the apex of the coming global structure, in conjunction with the UN. And we find evidence of this fact in Luk.4.5-7

5 Then the devil, taking Him up on a high mountain, showed Him all the kingdoms of the world in a moment of time.

6 And the devil said to Him, "All this authority I will give You, and their glory; for this has been delivered to me, and I give it to whomever I wish.

7 Therefore, if You will worship before me, all will be Yours."

According to Thayer's Greek Lexicon, this term glory, which is used in verse 6, has a broad range of meanings, one of which I believe is applicable in this context is having preeminence over natural resources and wealth. So satan who is the god of this age, has been given the authority to give the wealth of the nations to those that serve him.

A famous quote comes to mind, from Mayer Rothschild, the grandfather of the vast global banking dynasty, who said "give me control over the nations money, and I care not who makes the laws"

It is well documented, that many of this worlds elitists, which are involved in organizations like Skull and Bones and the Illuminati openly worship lucifer.

Speaking of which, i'd like to turn our attention to this coming world leader, called the beast, let's turn to Rev.12.

Rev. 12.7 And war broke out in heaven: Michael and his angels fought with the dragon; and the dragon and his angels fought,

8 but they did not prevail, nor was a place found for them in heaven any longer.

9 So the great dragon was cast out, that serpent of old, called the Devil and Satan, who deceives the whole world; he was cast to the earth, and his angels were cast out with him.

So when satan is cast to the earth, where does he go?

Let's turn to Rev.13. to try and answer this question.

Rev. 13, verses 11 and 12.

11 Then I saw another beast coming up out of the earth, and he had two horns like a lamb and spoke like a dragon.

12 And he exercises all the authority of the first beast in his presence, and causes the earth and those who dwell in it to worship the first beast, whose deadly wound was healed.

So when satan is cast out of heaven for the last time, where does he go? Quite possibly he will bodily possess the man that will be called the beast.

I suggest this to be the case, because the timing fits quite nicely with the start of the tribulation. As we find by reading the closing verses of Rev.12

Rev. 12. 13 Now when the dragon saw that he had been cast to the earth, he persecuted the woman who gave birth to the male Child.

14 But the woman was given two wings of a great eagle, that she might fly into the wilderness to her place, where she is nourished for a time and times and half a time, from the presence of the serpent.

15 So the serpent spewed water out of his mouth like a flood after the woman, that he might cause her to be carried away by the flood.

16 But the earth helped the woman, and the earth opened its mouth and swallowed up the flood which the dragon had spewed out of his mouth.

17 And the dragon was enraged with the woman, and he went to make war with the rest of her offspring, who keep the commandments of God and have the testimony of Jesus Christ.

And this timing fits in quite well with the suggestion I pose, that the 10 kings ruling for 1 hour, with the beast, is in fact just about 42 months, which is the Tribulation time frame.

So to conclude, I just want to briefly touch on the question which I opened with today. That being, is it likely that the 70 week prophecy is a literal 70 years, starting from the time the modern state of Israel was reestablished as a nation in 1948.

As I said at the outset, is the 70 year interpretation that cut and dry, or is there more to it?

Let's conclude back in Dan 9.24-27

24 "Seventy weeks [or years] are determined  
For your people and for your holy city,  
To finish the transgression,  
To make an end of sins,  
To make reconciliation for iniquity,  
To bring in everlasting righteousness,  
To seal up vision and prophecy,  
And to anoint the Most Holy.

Ok, so we see 70 years defined from the time of the modern establishment of the Jewish state.

25 "Know therefore and understand,  
That from the going forth of the command  
To restore and build Jerusalem  
Until Messiah the Prince,  
There shall be seven weeks and sixty-two weeks;  
The street shall be built again, and the wall,  
Even in troublesome times.

Please note that this verse covers only 69 weeks. Might it be that these 69 weeks are indeed 69 years, which taken from 1948 would bring us to 2017.

But what about the final week? Let's read verse 27  
27 Then he shall confirm a covenant with many for one week;  
But in the middle of the week  
He shall bring an end to sacrifice and offering.  
And on the wing of abominations shall be one who makes desolate,  
Even until the consummation, which is determined,  
Is poured out on the desolate."

Friends, I am beginning to wonder if God has put a wrinkle in this timeline of prophetic fulfillment.  
Might it be that the first 69 weeks of the final fulfillment of this prophecy are indeed 69 literal years, covering the 62 and 7 weeks, but then with the final week being a 7 year period of a week of years?

If this is so, then the tribulation would not begin until some time in the year 2020.

And consider the rationale for such a timing. After American sovereignty is destroyed and we are forcibly merged into one of the 10 toes, the world will be in complete disarray. And remember the NWO motto on the back of the US 1 dollar bill. Order out of Chaos.

Thus at the beginning of the final 7 year week, the man on the white horse may emerge providing the predesigned solution, A new world order and global monetary system.

Then several years later, the final war in heaven occurs and the tribulation begins. If this scenario holds true.

This would give us about 5 1/2 years for the total destruction of the present global system, complete with the technology in place globally for the mark of the beast to be implemented to everyone worldwide, as well as the building of the temple, and putting the final touches on the preparation for the global system to be instituted.

This would also allow the fulfillment of a final covenant to be made by a yet to appear world leader, with many for 1 week, or 7 years, beginning in the 2017-2018 time period, as we read in Dan.9.27.

It's also interesting to note, that this 2017 date, coincides with the election of a new United Nations Secretary General. Might this term be extended from a 5 to a 7 year period? Time will tell. Ho, and by the way, Mr. Obama will also be looking for a new job that year.

My friends, whether we have a little more than 1 year or possibly 5 or more before the start of the tribulation, time will tell. Either way time is short, and we will all without a doubt, experience very difficult times in our nation and around the world, as the Crisis at the Close draws near.

So regardless of the amount of time we have remaining, let us use the time God has allotted to us wisely, yielding to God's Holy Spirit, and striving to aid God in finishing our refinement process, in becoming a reflection of our Creator Himself.

I'd like to end by reading 2 Thes.1.11-12

11 Therefore we also pray always for you that our God would count you worthy of this calling, and fulfill all the good pleasure of His goodness and the work of faith with power,  
12 that the name of our Lord Jesus Christ may be glorified in you, and you in Him, according to the grace of our God and the Lord Jesus Christ.

Friends, thank you for your time today.
