

Feast of Trumpets

2019

Sengera, Kenya

Greetings Everyone,

Hope all of you had a wonderful Feast of Trumpets. Sengera had an enjoyable, uplifting and spiritual gathering with just over 50 in attendance. Services were held at the orphanage. Everyone joined in for a meal afterwards, and rice was served. Attendance this year was down due to the unprecedented amount of rain. With this much rain, the mud makes it all but impossible to move.

The brethren send their heartfelt thanks to all of you who have been assisting them. We are now looking forward to Atonement, Feast of Tabernacles, and Last Great Day. For tabernacles and Last Great day, combined services will also be held at the Sengera camp, and currently anticipating 450 to attend.
